MEMORANDUM FOR: Director of Security

SUBJECT : Inspector General's Survey of the EE Division

25X1A

1. I concur in the conclusions you outlined in your paper

2. Since we were requested to produce a "policy guidance paper" I feel we should give the DDCI a recommendation which has been concurred in by the three Deputy Directors. Would you therefore prepare a paper for presentation to the DDCI and secure the concurrences of the Deputy Director (Plans) and the Deputy Director (Intelligence), routing through me for final concurrence.
